

Do you have an LDAP account? Yes:

Lighthouse Core Facility

Registration:
Users from the Uniklinik Freiburg: Use your LDAP login and password, then click "Log In". We will then automatically receive a notification to activate your account. We will approve your request in between 2 working days. In the meantime you already have read-only access.

Users who do NOT have an Uniklinik LDAP-login:
Click on "Register" and complete the form.

NOTE: Passwords for new users without an LDAP-login must contain a combination of at least 8 upper and lower case letters and 3 numbers.
External users can also send an Email request to facslab@uniklinik-freiburg.de.
If you are a non-LDAP-user and want to change your password better ask us.

myldapID

My_LDAP_password

Log In

Remember Me First Time User? Register

[I Forgot My Password](#) [Change Language](#)

Notes:

Usage of LDAP is strongly recommended! The password will be changed automatically here too, when you change it. You do not need to fill the form behind „Register“.

Using „Register“ and a Uniklinik email address will cause problems.

Please give us 2 working days to check and set up your calendar write permissions. You will receive read permissions immediately.

No, I do not have an LDAP ID:

Lighthouse Core Facility

Registration:
Users from the Uniklinik Freiburg: Use your LDAP login and password, then click "Log In". We will then automatically receive a notification to activate your account. We will approve your request in between 2 working days. In the meantime you already have read-only access.

Users who do NOT have an Uniklinik LDAP-login:
Click on "Register" and complete the form.

NOTE: Passwords for new users without an LDAP-login must contain a combination of at least 8 upper and lower case letters and 3 numbers.
External users can also send an Email request to facslab@uniklinik-freiburg.de.
