LUNCH & LEARN
SPATIAL BIOLOGY SEMINAR

TUESDAY 12TH DECEMBER 2023
12.30PM TO 1.30PM

UNIVERSITÄTSKLINIKUM FREIBURG
ZENTRUM FÜR TRANSLATIONALE
ZELLFORSCHUNG (ZTZ)
SEMINARRAUM EG LINKS 0.057

Spatial Biology at YOUR Scale
Join this seminar, to learn how you can scale up your spatial discovery efforts and rapidly translate those discoveries into actionable spatial phenotypic signatures.

• Hear more about the power of comprehensive spatial phenotyping and its applications
• Discover how high-quality whole-slide images open the door to endless possibilities for your research.
• Find out how our assays simplify protein spatial phenotyping.
• Hear the latest updates from Akoya Biosciences including details of our Spatial Biology 2.0 solutions which offer significant advancements in speed and scale.

If you have any questions, please contact Melanie Herget-Meissner, Sr. Territory Manager, Akoya Biosciences, Email: mmeissner@akoyabio.com, Phone: +43 (0) 664 5435696.

SPEAKER

Franziska Werner
Field Application Scientist, Akoya Biosciences
