INTERNATIONAL
GAF CONFERENCE
NOVEMBER 8 – 9, 2024

SCIENTIFIC
PROGRAM

Department of Psychiatry and Psychotherapy
Medical Director:
Univ.-Prof. Dr. Dr. med. K. Domschke, M.A. (USA)

DEAR COLLEAGUES,

we are delighted to present the **25th anniversary edition of the Annual Meeting of the Society for Anxiety Research** this year in a new, international format.

As part of the scientific program, we have managed to compile six outstanding keynote lectures on the topics of the pathogenesis, maintenance, and treatment of anxiety disorders.

Additionally, this year will feature an expanded poster session. This offers the opportunity for in-depth professional exchange in a relaxed atmosphere with wine and pretzels.

The three best poster presentations will be awarded a poster prize. The selection of contributions and winners will be made by the scientific program committee.

We look forward to an inspiring anniversary edition of the Annual Meeting of the Society for Anxiety Research.

Best regards,

Prof. Dr. Dr. K. Domschke PD Dr. M. Schiele
