Klinik für Strahlenheilkunde Robert-Koch-Str. 3 79106 Freiburg,
Tel. 0761/270-94911

Hanns-Langendorff-Foundation

Chairperson: Prof. Dr. Anca-L. Grosu

Dear Madam or Sir

On the occasion of the 8th Langendorff-Symposium on March 22 – 23, 2019 in Freiburg, the

HANNS-LANGENDORFF-AWARD

will be donated.

The award is endowed with 1000 Euro and is addressed to young scientists who have done exceptional and comprehensive works in the field of radiation research.

Eligible are works dealing with radiobiological and physical fundamentals, applied radio protection in diagnostic radiology, nuclear medicine and radiotherapy and the clinical use of radiation.

The manuscript has to be written in German or English. The candidate's contribution should be significant, as first, second or last author.

Applicants address their manuscript six folded including their curriculum vitae, photo and list of publications until January 31, 2019, to Prof. Dr. Anca-L. Grosu, Chair of the Department of Radiation Oncology, Medical Center, University of Freiburg.

Address:
Medical Center, University of Freiburg
Department of Radiation Oncology
Research Coordinator
